

VERONA PHOTO STUDIOS

CLX operates two fully equipped photo studios in Verona.

- **Studio 1** features 10 sets across 341 sqm, while
- **Studio 2** offers 12 sets over 451 sqm, providing versatile spaces for a wide range of productions.

Our expertise covers photography and video production, with both traditional and robotic sets. We deliver high-end image services and advanced post-production, supporting brands with efficient and innovative visual content.
