

# PARIS - IVRY PHOTO STUDIOS

CLX operates two photo studios in Paris.

- Studio 1 features 5 sets across 370 sqm, while
- **Studio 2** offers 3 sets over 434 sqm, providing extensive and flexible spaces for a wide range of productions.

With 8 fully equipped sets and a state-of-the-art 3D scanner, our Paris studio enables multiple parallel shoots. Productions are supported by our in-house team and a network of trusted freelancers, allowing us to scale capacity when needed while maintaining high-quality standards.
